

December Live RED Report

District News

Family First

Family First has completed and distributed the 50 Thanksgiving Baskets. We are currently in the process of preparing for our Christmas For Kids distribution. We enjoyed a very successful and productive shopping trip on Tuesday. This is the kind of shopping trip that involves an enclosed trailer and 15 shoppers. As always, our community support is amazing! We are now sorting and organizing the gifts, to determine that which remains to be purchased. This is a very busy time of year, due to the fact that daily needs, such as coats, snack packs, etc., continue during this season.

Grant News

Congratulations to Mrs. Bowles and Mrs. Weldon on being awarded the VSA Kentucky Arts Inclusion Grant! A professional artist will be coming to work with students on a clay project.

A huge thank you to everyone participating in Amazon Smile and Kroger Community Rewards Program. The LCE Foundation received 3rd quarter donation checks from both companies.

North Livingston

Our PTO sponsored Muffin with Moms this past month. Many moms were in attendance.

The Academic Team has participated in two meets, and they have won 3 matches. They are off to a good start.

Students in Kindergarten through 5th grade will be taking their Winter STAR Benchmark testing during December 4-15.

On December 7, our K-2 students will perform The Incredible Reindeer at 5:30pm, and the 3rd-5th grades will perform Jingle All the Way at 6:30pm. Everyone is invited to attend.

Jason Lindsey, with Hooked on Science, will be at our school on December 7.

Congratulations to the top three conservation poster winners for NLES - Tiffani Crawford, Mason Hargrove and Zoey Hodge.

Congratulations to the Trash Sculpture winners:

Lower Elementary

1st-Lali Johnson
2nd-Jasmine Jackson
3rd-Gracie Simmons

Upper Elementary

1st-Tiffani Crawford
2nd-Josie Taylor
3rd-Madison Anderson

Spanish	Spanish I: DeSha DeShields Spanish II: Wyatt Jaco

LCMS Junior and FBLA member, Wyatt Jaco was recognized as the November Student of the Month by the Livingston County Chamber of Commerce. Wyatt received a \$25 Visa gift card sponsored by Vulcan Materials.

Project Pass

The Project PASS before and after school program has been busy this fall with even more exciting projects. Students learned to solder a circuit board, printed amazing things on the 3D printers, learned Brazilian Portuguese from fellow student Cameron Bryan, and built robots with Mr. Kunnecke in preparation for the RCX Robotics Competition in March. They enjoyed Taste Test Mondays with Detra Coley from the Extension office and wrote novels in the month of November for Nanowrimo (National Novel Writing

Month). Some aspiring novelists were able to earn extra credit in English for their month-long novel-writing endeavors. On November 30, 2017, students hosted a Book Tasting Event at Livingston County Public Library in Smithland. Students and members of the public sampled books while enjoying refreshments in the library meeting room. Apron-clad students "served" books and treats to guests from the community. Each participant read 5 minutes of 5 different books to expand their reading tastes and explore new genres. This mini-field trip also helped students learn more about the programs and services offered at their local public library. Participants brought canned food items to be donated to the local food bank and were entered into a raffle for a book basket. Terry Fedosky of Smithland was the winner of the basket.

South Livingston

November Students of the Month:

K	Eli Wallace & Lily Nelson
1st	Parker Hammons & Amelia Ray
2nd	Anthony Fulks & Kymberly Utley
3rd	Dakota Peek & Eli Taylor
4th	Preston Smith & Keilee Lyte
5th	Jack Thomasson & Cheyenne Smith

MRA News

Our numbers continue to be high on daily attendance. We are hoping to add some students from the waiting list after Christmas break, if we see there are some openings. Students continue to improve their skills in Archery. We are very fortunate to have Mr. Chittenden as our instructor. Mrs. Cindy Kennedy continues to challenge our students in Coding Club. We are blessed to have wonderful staff and volunteers in our program.

The Kindergarten Thanksgiving plays on November 17th were well-attended by many family members and friends. Each class had a "feast" in their classrooms after their play.

Under the direction of Mrs. Deanna Holman, second and third grade students will perform "The Moosical" on December 5th at 6:30 PM. Everyone is invited to attend and the dress rehearsal will be at 1:45 PM on that day.

Students in Kindergarten through 5th grade will be taking their Winter STAR Benchmark testing during the week of December 4-8.

The school winners of the Conservation Poster Contest are Kameron Holt, Sophie Michonski, and Brilee Garrett. Their posters have been sent on for district judging.
