

## December Live RED Report

### District News

#### Live RED Staff Award

Congratulations to Mrs. Megan Ward for being the staff Live RED recipient for the month of December. The nomination reads: Megan is a hard worker that goes above and beyond expectations. Megan is easy to work with and is always willing to step up to any task she is given. She enjoys working with the students at school and dedicates herself to serving them even outside of school in the church setting. Megan is creative and always has ideas to improve classroom activities. She is excellent at individualizing instruction for students. She is supportive and encouraging to her coworkers as well. Megan is an asset to the Livingston County School System and strives to Live RED.

#### Family First

Family First wishes to express our gratitude to all who came together to make the Christmas For Kids Project a tremendous success. The number of people involved, and the generous attitude of giving in our community, never ceases to amaze me. Thanks to all who contribute, time, talent, and resources to help remove at least some of the non-academic barriers our students encounter. As always, this season has produced some heartwarming stories. We are happy to get to be even a small part of many of those stories.

#### Grant Report

Congratulations to Mrs. Travers and Mrs. Hooks at LCMS for being awarded the Fall 2018 Calvert City Community Advisory Team Mini-grant. They will be implementing the Delta Education Explorations in Physical Science Kit into 6-8th grade science lessons.

Congratulations to Mrs. Bowles, winner of first quarter Token of Appreciation give away from the Livingston County Education Foundation. As a token of appreciation for her support of the foundation and participation in the employees payroll deduction program, Mrs. Bowles has been given a \$50 gift card to her choice of participating restaurants. The foundation board sincerely hopes she enjoys her much deserved night out.

Students in grades K-5 participated in the Conservation Poster Contest. The top three posters selected to compete at the district level are from Allie Buijk, Zoey Hodge, and Sophie Michonski. Their posters have been submitted for judging at the district level.

The 4<sup>th</sup> and 5<sup>th</sup> grade classes at South Elementary are participating in the People to People pen pal project. Two of the classes have been matched up with classes from Russia. One class is working with a class from Italy and the other is Poland. We are just starting this project, but it is very exciting. Some of the classes will be sending videos back and forth, while others are writing letters. The students are extremely excited to be learning about another culture, while working on their writing skills.

Ford’s Theater in Washington, D.C. has published a blog entry from Mr. Joe Moneymaker. Mr. Moneymaker is in Ford's Theatre National Oratory Fellows Program and has integrated speech writing and public speaking into the study of social studies. Check out his blog at: <https://www.fords.org/blog/post/how-the-ford-s-theatre-national-oratory-fellows-program-made-me-a-better-public-speaker-and-teacher/>

**MRA**

MRA is going great which is attributed to the caring and dedicated staff. The needs of our students that had low grades the first nine weeks or any on mid-term reports have been assessed and monitored. This year the school-day staff have been going above and beyond to communicate with the after-school staff which in turn has proven to enhance efforts to help our students academically, socially and emotionally. During the after-school program staff has the time to give our students the attention they need academically and emotionally.

**North Livingston**

Congratulations to the NLES November Student Leaders of the Month: Evelyn Elder, Hayden Hurley, Wen Yang-Duong, Jasmine Jackson (Not pictured), Savannah Padon, Zeke Gandee, and Dakota Dunkerson!!!

Betty Williams received the President’s Scholarship from KEA to renew National Board Certification and successfully completed National Board Certification.

Students enjoyed a visit from the Grand Rivers Baptist Church Hand Bell Choir on November 12th.

Our Kindergarten students have been participating in a study of the book “Owl Moon”. As a result, all classes participated in a presentation from the LBL Nature Center. Students were visited by a Barred Owl, Screech Owl, Possum, and a Chicken Snake.
