

## **February Live RED Report**

### **District News**

#### **Live RED Staff Award**

Congratulations to School Resource Officer Greg Wilson for being the staff Live RED recipient for the month of February. His nomination reads:

When thinking about the Live RED motto, various staff come readily to mind. Officer Greg Wilson is one of those people. Officer Wilson is our school resource officer through the Livingston County Sheriff's Office. He deserves to be nominated for the wonderful job he does at SLES. He has been a great asset to our school. He is always looking for ways to help us keep our students safe.

We absolutely love the Lunch Buddies program he has started with us. It just keeps growing and providing great mentoring/role models to our students. The officer trading cards have also been a big hit! They promote great behavior from our students as students work to collect a trading card from all Livingston County officers. Building relationships with our students early in school is such a great thing and may make the difference in our students' futures!

Officer Wilson also comes when there are less fun, but more serious needs whenever we need him and has been very valuable in working with our families in those situations. He is really making a difference. We wanted someone to know how much we appreciate him and to thank the Sheriff's office for providing us with such a wonderful resource. He certainly embodies the Live RED motto and Reaches Excellence Daily.

#### **Family First**

Family First is gearing up for a March filled with exciting career exploration activities, and opportunities for our students. In addition to the traditional Operation Preparation, we are planning a new College and Career Fair at LCHS.

#### **Grant News**

Thank you to Walmart-Benton for providing NLES/LCMS Library with \$500 to purchase library books!

### **North Livingston**

Jennifer Van Waes, WKEC math consultant, once again visited our classrooms. She offers helpful suggestions and resources that align to the math standards.

NLES had 97-98% participation for each Live RED at Home Day.

Congratulations to January Leaders of the Month:

|                  |               |
|------------------|---------------|
| Zeke Gandee      | Lola Munsell  |
| Colin Chittenden | Bella Freeman |
| Sam Eichelberger | Hailey Tharp  |
| Cheyenne Allen   | Jaden Green   |

Congratulations to all of the 2018 Livingston County Spelling Bee participants. A special congratulations to Tarrin Turner, NLES 5th Grade Scholar, for winning this year's contest. Thank you to Betty Williams for organizing the event!

Jason Lindsey from WPSD's Hooked on Science visited LCMS to perform experiments related to our Science standards.

**North Star Academy**

NSA numbers have been down due to winter weather and cancellations. We have had to cancel Archery until our Instructor, Mrs. Alescia Wilson has had time to recuperate. Grades and homework continue to be our main concern. Second and third grades are enjoying our Ozbots robots that help them learn about coding. We would like to thank Mrs. Powell for filling in for Mrs. Wilson and thank you to all our Staff for working to make NSA the great program that it is. Plans are underway for our 9<sup>th</sup> Annual Summer Learning Program. This year promises to be an educational and exciting adventure.

**Livingston County Middle School**

LCMS Students of the Month

6th Grade Maggie Downey and Preston Holman

7th Grade Brookelyn Rupcke and Luke Vinson

8th Grade Josie Howard and Hunter Statts

Jason Lindsey from WPSD's Hooked on Science visited LCMS to perform experiments related to our Science standards.

LCHS has two teachers nominated for the West Kentucky Community and Technical College (WKCTC) Regional Educators Award.

Cameron Bryan and Olivia G. Ramage qualified for the regional governor's cup!

Scott Funkhouser represented LCHS and PATC in a welding competition at WKCTC and placed 4th.

Mrs. Falder's archaeology class has been asked to do two things by the Kentucky Archaeological Survey (KAS)

1. The KAS is doing a project for the Transportation Cabinet called the Web Portal where there are site profiles for a few archaeological sites in each county in the state. Each site profile summarizes the site, has a paragraph on the archaeological findings, and a paragraph that features an interesting aspect of the site (What's Cool about the site). My students have been asked to do the site profile for Fort Smith.
2. The students are creating and presenting a poster about the archaeology project at Ft. Smith that will be displayed during the 33rd Annual Kentucky Heritage Council Archaeology Conference, which will be held at Kentucky Dam Village State Park March 2- 4

### **LCHS FBLA Hosts Chamber Meeting**

LCHS FBLA was pleased to host the January meeting of the Livingston County Chamber of Commerce on Thursday, January 25. There were approximately 50 chamber members, community members, and FBLA members in attendance. The Chamber recognized LCHS FBLA Treasurer Josey Tolley as their Business Student of the Month and awarded her with a \$25 gift card. The Chamber members engaged FBLA members in some great discussion regarding upcoming community events and the decision on a new logo for the chamber. The Chamber will also be hosting their February meeting at LCHS and is looking forward to getting the FBLA members more involved.

### **LCHS FBLA Receives Donation from Tread Wisely**

LCHS FBLA recently received a \$500 donation from Cooper Tires and the National Organization for Youth Safety for their work on the Tread Wisely campaign. Through this campaign LCHS FBLA members educated their Junior and Senior peers on the importance of checking and maintaining tire pressure and tire tread. Each LCHS Junior and Senior received a tire pressure gauge and a penny to check tire tread and was entered to win individual prizes. LCHS Junior Ben Barrett won a t-shirt from Tread Wisely for his participation.

### **LCHS FBLA Receives Donation from Kentucky Organ Donor Affiliates**

LCHS FBLA recently received a \$250 donation from Kentucky Organ Donor Affiliates for their work on the KODA 5 A Day Challenge during the month of November. LCHS FBLA competed with other FBLA Chapters from across the state to raise awareness about organ donation and to register new donors. FBLA members worked with the Livingston County Circuit Court Clerk's Office and held several membership drives during the month of November and registered a total of 86 new donors.

### **Financial Literacy Classes Competes in Stock Market Game**

Mrs. Greta Ramage's Financial Literacy class has been chosen to compete in the Capital Hill Challenge edition of the Stock Market Game. The Capitol Hill Challenge (CHC) matches Members of Congress with students, teachers, and schools competing in The Stock Market Game™ in their respective district or state. Student teams manage a hypothetical \$100,000 online portfolio and invest in real stocks, bonds, and mutual funds. Mrs. Ramage's class will be partnered with US Representative James Comer and could possibly win a trip to Washington DC.

## South Livingston

Congratulations to the SLES Academic Team for winning first place overall at Governor's Cup on Saturday, February 10th. They won first place in quick recall, second place in Future Problem Solvers, and several students placed in individual categories. They are coached by Mrs. Stacey Turner and Mrs. Pam Simmons.

### December Students of the Month:

|     |                                 |
|-----|---------------------------------|
| K   | Sophia Lynch & Jesse Jeffrey    |
| 1st | Courtney Lucas & Dylan Keeiling |
| 2nd | Taylor Leahy & Aiden Peck       |
| 3rd | Karlee Deville & Dylan Shouley  |
| 4th | Caris Phillips & Colton Taylor  |
| 5th | Myles Orr & Eden Dukes          |

### January Students of the Month:

|     |                               |
|-----|-------------------------------|
| K   | James Buijik & Minnie Buijk   |
| 1st | Laura Ewing & Cinch O'Brien   |
| 2nd | Eden Britt & Dane Pace        |
