

November Live RED Report

District News

Live RED Staff Award

Congratulations to Mr. Bobby Love for being the staff Live RED recipient for the month of November. His nomination reads:

Mr. Bobby Love, LCMS principal has gotten our school year off to a great start! He is easy to work with, has high and clear expectations, gives constructive criticism and puts everyone in a great mood. Mr. Love has built a wonderful rapport with our students. Students respect Mr. Love and their behaviors have improved because of him. There are many more great things about working with him but above all, our school culture is through the roof and we can't wait to see where this school year takes us!

Family First

It has been a busy fall for Family First. Some of the highlights include Big Smiles (comprehensive school based dental program), Happy Feet and substance abuse awareness. Currently we are working with several groups to provide Thanksgiving Baskets to 50 families. We are also in the process of providing, and verifying credits for the Christmas For Kids eligibility. We are excited about working with the community to once again facilitate the Christmas project. As always, thanking you for being supportive to Family First.

Grant News

Congratulations to our Calvert City Advisory Team Mini-grant winners. All will be adding phenomenon based learning science kits to their classrooms.

Ms. Travers \$1,000

Ms. Weldon \$904.88

Ms. Goss \$775.18

Mr. Moneymaker \$640.38

Congratulations to LCMS for being awarded this year's TranspARTation Grant given by the Kentucky Arts Council.

A special congratulations and thanks to Darcy Driver, winner of the \$100 Amazon Gift Card giveaway from the LCE Foundation. Thank you, Ms. Driver, for your support of Livingston County Schools! Next giveaway will be for all those who are enrolled in the employee contribution option by December 11, 2017. Please don't forget about Amazon Smile and Kroger's Community Give Back Program as you do your holiday shopping.

Thanks for all you do to ensure the benefits of being raised in a LiveRED community!

North Livingston

Congratulations to the NLES October Student Leaders of the Month- (left to right, bottom to top) Peyton Scott, Addison Tramble, Wen Yang-Duong, Jasmine Jackson, Eli McDonald, Josie Taylor, Miley Johnson, and Brooke Travers!

The LCHS STLP group came to our school and presented information to our students about bus safety and bullying. They brought Buster the Bus and helped students sign the online pledge to put a stop to bullying. The FBLA high school students also served as workers for us at our Fall Festival. Both groups did an excellent job! We enjoy being able to collaborate with our high school, and we appreciate the level of dependability and maturity these students bring with them.

Our Fall Festival was October 20. We had several students in attendance and raised money to support activities for this school year. We appreciate all the work put into this by our PTO parents!

Through 4-H, Dominique Wood, has brought Food Explorers into our cafeteria for students to try new items. This past month, students tried hummus. It was met with mixed tastes, but a great opportunity for our scholars to try something new.

Family First sponsored the Wulfe Bros. performing at our school as a part of Red Ribbon Week. Students and staff enjoyed the flashback to the Eighties.

Jimmy Lamb with the Burna Fire Department presented smoke detectors to eight of our students for Fire Safety Month.

Students auditioned for the Christmas Musical, Jingle All the Way. Mr. Josh Johnson, along with Michele Venable and Derrick Ford, served as judges in selecting students for the parts.

Kindergarten and first grade visited the residents at Springlake Rehabilitation Center.

We had our Fall Parties on October 27. Scholars dressed as storybook characters and historical figures. Our 4th and 5th graders also gave presentations in first person of the person they chose to research.

Zoodles came to our school and shared information about a variety of animals, such as a kangaroo and a parrot. Students asked questions and some had their pictures taken with the animals.

Miley Johnson is the first scholar to promote to a blue clip in our PBIS system.

Scholars designed Christmas ornaments for the Livingston County Hospital fundraising event. Two were selected to have their design put on the Christmas ornament that will be given out at the event. Kindergartener, Zeke Gandee, and third grader, Autumn Scales were selected as winners. They are both invited to the event, and each will receive four tickets to the Badgett Playhouse Down Home Christmas Show and dinner for four at Mr. Bill's in Grand Rivers.

We had our annual Thanksgiving Lunch on Friday, November 3. Several guests were in attendance. We appreciate our lunch ladies and the great job they do.

Our entire school took part in a book study of My Father's Dragon. After reading the book, they all attended the play at the Carson Center.

We held our parent-teacher-student conferences on November 7th and 9th.

In collaboration with LCMS, we held our Veteran's Day program on November 10. Thank you to Mr. Johnson and Mrs. Lambert for their efforts in putting on a great program.

NLES Christmas Programs will be in the NLES gym on December 7th. K-2nd grade will perform The Incredible Reindeer at 5:30 and 3rd-5th will follow with Jingle All the Way at 6:30pm.

Congratulations to these NLES students for earning clip up promotions or completing all levels for their grade level on Math Facts in a Flash or Lexia Core.

NSA News

NSA is doing well in both AM and PM programs. Numbers are averaging 30+ in the mornings and upper 50's in the afternoon. Great appreciation goes to the NSA staff that went above and beyond to cover for the teachers who had P/T conferences this week.

NSA held their Annual Lights On programs that coincided with the Parent/Teacher Conferences. A big thanks to all the parents/guardians/family and community members who signed the petition to show their support of After School Programming. Our NSA students worked on the Light Bulb/T-shirt art that they will be able to wear to show their support as well.

Livingston County Middle School

Students of the Month for November are:

8th Grade: Coby Hunter and Allison Day
7th Grade: Will Orr and Faith Jewell

LCMS FBLA Strives For "5 A Day" During November

The Livingston Central High School chapter of Future Business Leaders of America is working hard on their Community Service Project this month. The LCHS FBLA has partnered with KODA (Kentucky Organ Donor Affiliates) and the Livingston County Circuit Clerk's Office to register at least five people per day from Livingston County and the surrounding community to become organ donors. They will be passing out flyers and information at local churches and businesses throughout the month and holding registry events to spread awareness about organ donation.

There are currently more than 118,000 people on the national transplant waiting list and approximately 1,000 of those are Kentucky residents. Several members of the LCHS FBLA have learned that they have been affected more closely by organ donation than they realized. LCHS Junior Hailey Stafford spoke at the October meeting to fellow FBLA members about how her uncle was an organ donor upon his death

and was able to save over eight lives through this generous donation. "After that experience, I knew I wanted to become an organ donor too and signed up as soon as I got my license," Stafford stated. Mrs. Pam Simmons, teacher for Livingston County Schools, spoke at the November club meeting about her mother who received a heart transplant over 30 years ago and in doing so was able to live 21 years longer than doctors expected.

How can you get involved? If you are over the age of 16 you can join the Organ Donor Registry. Signing up to become an organ donor is easy. You can use this link that will take you to the webpage specifically for the LCHS FBLA sign up campaign: <https://registerme.org/campaign/livingston>. You can also download the Bridge2Life App on your smart phone which will connect you to the online registry and provide you with more information about organ donation or sign up at the Circuit Clerk's office when you renew your driver's license and donate \$1.00 to the Donate Life campaign to help with educational efforts regarding organ donation.

South Livingston

Buster the Bus visited all of our students on October 18th to promote bus safety. The LCHS STLP group presented the information and also helped students complete their online pledge to stop bullying.

Family First provided the Wulfe Bros. on October 25th during Red Ribbon Week activities. Students and staff enjoyed the momentary trip back to the 80's for some fun music.

Parent/Teacher Conferences were held on October 24th & 26th.

Our Fall Festival was on October 27th. Many students and their families attended and helped the PTO raise funds that will be used for many activities this school year. We are very thankful for the hard work of our PTO and families. We appreciate the help from the FBLA high school students who worked our games to help make the night a success.

Big Smiles returned to SLES October 30-November 3 to provide dental care to our students once again.

The wonderful cooks at SLES provided a delicious Thanksgiving lunch on October 9th. In addition to the student body, two hundred forty-one adults were fed that day. The visitors were very complimentary of the meal and our school.

Under the direction of Mrs. Deanna Holman with assistance from Mrs. Teri Walker, our fourth and fifth grade students performed a Veterans Day Program on November 10 to remember and honor our veterans. They performed for our guest veterans and the student body that day. A reception was held for the visiting veterans after the program.

Everyone is invited to the Kindergarten Thanksgiving Plays on November 17th. Mrs. Lauren Ramage's class play will be at 12:30 PM and Mrs. Whitney Calabrese's class play will be at 1:30 PM in the school gym.

Everyone is invited to the 2nd/3rd grade winter musical on December 5th at 6:30 PM. They always provide a great show.

SLES students of the month for October are:

MRA News

MRA is going great, and we are VERY busy! Our students are active in all the different sessions we provide. Homework continues to be a large part of our daily schedule. Our students are taking advantage of having access to AR during MRA hours. School day teachers are communicating with the MRA staff so we can help our students with their academic needs.
