

May Live RED Report

Live RED Staff Award

Congratulations to Mrs. Laura Gordon for being the staff Live RED recipient for the month of May. Her nomination reads:

I would like to nominate Laura Gordon for the Live RED Award. Laura has fought the battle with cancer this year, and she has won! Laura has had the best attitude all year long, and has been an example to all of us. During this year, when she could have been focused on herself, she has gone above and beyond to ensure instruction for her students was not interrupted. She collaborated often with Janet Maddux so that each transition was smooth. Laura has shown us all how to Reach Excellence Daily!

North Livingston

Congratulations to our new SBDM members:

Angie Barnes, Sylvia Doyle, Roberta Harris, Kristen Owens, Michelle Davis and Johnetta Taylor
 Because we have more than an 8% minority population, we have an additional teacher member and we have a vacant parent member seat at this time. We will try again in the fall to recruit a minority parent.

Congratulations to our April Student Leaders of the Month

Emilee Tabor, Savannah Padon, Sean Drennon, Luke Kitchens, Cheyenne Williams, Josie Taylor, Maggie Downey, River Barnes & Blaire Champion

We held our Proficient/Distinguished Dinner this month, and 42 scholars were invited to attend.

Our 5th grade scholars enjoyed visiting LCMS on their Leadership Day. They are excited about becoming LCMS Cardinals.

We kicked off our testing pep rally with the NED Show. Scholars were encouraged to Never Give Up, Encourage Others and Do Their Best in everything. We had fun rapping and playing games between our Distinguished Scholars and Staff as well as some parents.

We have enjoyed celebrating Nurse, Staff and Teacher Appreciation Week. We enjoyed Subway sandwiches provided by the Board of Education and lots of other delicious treats! Our PTO will be bringing Chick-Fil-A next week so the fun can continue.

We began KPREP testing on May 3rd. Our scholars report that they are trying their best! We will be celebrating their good effort at the end of testing.

North Livingston Preschool classes enjoyed a field trip on Thursday, May 4th to the Land Between the Lakes Nature Center. Environmentalists treated students to a puppet show, reading of a science related book about tree habitats and several sightings of animals in the wild. Students also had a fun-filled, rain-soaked picnic at the Grand Rivers Community Picnic area. All participants had a great time!

The NLES 5th grade are working hard on their reading and math K-Prep tests this week. I am very proud of them and the effort they are putting forth. Next week we will finish with Social Studies and On-Demand Writing. This is a highly tested grade and these scholars have really dug in all year in preparation. I love this time of year because it all comes together in history and the Story of Us is revealed. I hope the students will continue on with their desire to know more about this great nation we live in. Some of the students will be traveling with me this summer to Washington D.C. along with Mr. Moneymaker and South Elementary parents and students. This will be an amazing trip for us.

As a culminating event for the 5th grade and the History Club we will be going on a field trip to Discovery Park of America. The students are so excited about their class trip and graduation the next day. It has been a fabulous year of learning and growing together in 5th grade.

Upcoming Events

May 12- Volunteer Luncheon; Good Faith Effort Celebration
May 15-Field Day
May 16-Transition Day
May 17- Awards Program (8:00-5th grade, 9:15-K, 10:30-1st and 2nd, 11:30-3rd and 4th)

South Livingston

SLES students were visited by Wally Wise Guy again on April 13th for their Spring follow-up visit. It's a wonderful way to review how to Shelter-in-Place during chemical emergencies.

Students scoring distinguished in at least one area were honored during a Distinguished Dinner with their families on April 20th. Students received a medallion for scoring distinguished in one area, a trophy if scoring distinguished in two areas, and a medallion and trophy for scoring distinguished in all areas tested.

Current 5th grade students visited LCMS on April 27th during the Leadership Day they hosted. Students enjoyed being greeted like stars with the “red carpet” and star lanyards. Faculty enjoyed seeing former students leading presentations and tours. LCMS students and staff did an excellent job with the event!

Kindergarten students visited the Carson Center and Noble Park on April 19th for a field trip. They saw “Brown Bear, Brown Bear and Other Treasured Stories” by Eric Carle. The wonderful books from Eric Carle were brought to life through puppetry.

The student body enjoyed the inspirational assembly on May 1st that was scheduled to help encourage students to always do their best and especially as we entered state testing. The NED Show focused on Never giving up, Encouraging others, and Doing your best. The presenter engaged students through yo-yo tricks along with an engaging story to emphasize these principles.

Teacher and staff appreciation week was fabulous! SLES staff appreciated the delicious lunch provided by the board on May 2nd. Everyone sends their sincere thanks for the thoughtful gesture. The SLES PTO also went above and beyond to make staff feel appreciated during Teacher Appreciation Week by providing some type of treat each day. Even students got involved and many students wrote notes to teachers or brought in small tokens of appreciation.

Students in grades 3-5 began K-PREP testing on May 3rd. Through a variety of donations, t-shirts were purchased for every student in preschool through 5th grade. Staff gave each student in those grades personal cards/messages to encourage them to do their best. Staff wrote encouraging messages on the front and back sidewalks to greet students as they entered each day for testing. K-PREP testing is May 1-9.

The 1st grade students will be going on a field trip to Maggie’s Jungle Golf and Mike Miller Park on May 11th. Students who won the math facts competition and those who met their AR goal each nine weeks will have their reward field trip on May 15th to Maggie’s Jungle Golf.

SLES Preschool/Head Start students will be going on a field trip to Chuck E. Cheese and Noble Park on May 10th and 11th. Specific groups will go on a specific day.

South Livingston Elementary - 21ST CCLC

MRA ended with ours numbers still between 60-70 students per afternoon. Our summer program, Summer EdVentures, is already having a great response from parents wanting to send their children. We anticipate a fun filled month!

Congratulations to the LCMS April Student Leaders of the Month:

6th graders: Bella Chittenden and Zach Lynch

7th graders: Anna Watkins and Joey Hensley

8th graders: Cheyenne Lady and Max Downey

Congratulations to the LCMS April Staff Leader of the Month: Mrs. Gail Anderson

Congratulations to our four Teen Leadership Academy Graduates: Rylee Culver, Jodee Lohman, Emily Brown, and Erica Quertermous.

Congratulations to our new SBDM members who will begin service on July 1. Parent members are Sara McGregor and Jim Parks. Teacher members are Amy Crenshaw, Terrin Hayden, & Michele Powell. Four parents voted in the LCMS Parent SBDM elections.

May 1-5 was Teacher Appreciation Week. We would like to thank the Board for the lunch that they sent our hard-working and dedicated staff. Also, we appreciate the LCMS PTSO for the lunch that they provided us and the Student Lighthouse Team for the surprise treat of a free staff car wash.

The LCMS Student Lighthouse Team sponsored a successful blood drive on May 2.

LCMS parents are at a 95% completion rate of the parent review of the ILP. We are working on a 100% parent review rate for the sixth straight year.

LCMS would like to thank those who attended our Leadership Day on April 27. Our student leaders performed very well and have received many compliments.

Eighteen students and three staff members have received gifts on Live RED Fridays for wearing red. We appreciate Mr. Zimmerman for recognizing them.

Students in the Ozone afterschool program traveled to the Discovery Park of America on Saturday, April 29, 2017. Participants toured the Da Vinci Machines exhibit, which was a hands-on STEM exploration that was truly ahead of its time. Students also enjoyed dinner at Pizza Inn. This was truly a memorable experience for all in attendance!

Ozone is gearing up for an exciting summer program. Pathfinders is a FREE summer program open for all students entering 6th, 7th and 8th grade at Livingston County Middle School. Path Finders is NOT SUMMER SCHOOL...Repeat THIS IS NOT SUMMER SCHOOL. Path Finders is however, a hands-on exploration of the 16 Career Clusters with pit stops at local community colleges/universities. We encourage all students to participate. May 30th –June 23rd
Doors open at 7:30 am-2:30 pm

Cameron Bryan
Governor's Scholars Program

Congratulations Cameron for being selected for the Governor's Scholars Program. The Governor's Scholars Program is a summer residential program for outstanding high school students in Kentucky who are rising seniors. The Program originated in 1983 as a result of Kentucky leaders' concern that the state's "best and brightest" were leaving the Commonwealth to pursue educational and career opportunities elsewhere without fully understanding the potential of their talents at home. Students who are selected attend the Program without charge. In the spirit of partnership, the Office of the Governor, the Kentucky State Legislature, and private enterprise come together to provide the financial support for the Program.

Dear Alumni,

We cordially invite you to play/sing at graduation. Anyone who wishes to assist and be part of graduation, please contact Josh Johnson for copies of the music. We will meet at 5 pm on the May 19th (which is the date of graduation) to rehearse. We will have another rehearsal before for anyone who wishes a bonus rehearsal. Email Josh Johnson at josh.johnson@livingston.kyschools.us for additional information.
