

We exist to transform people through Jesus Christ in our church, our town, and our world.

Guidelines for using rooms and Wi-Fi at Salem Baptist Church

1. Please call church office (270-988-3538) to set up a time to reserve a room for your schoolwork. When you arrive, you will agree to terms of building and Wi-Fi use. We will also put our Wi-Fi password in your device.
2. Each student must always have adult supervision, or they will not be allowed to enter. You will not be allowed to drop your kids off and come back to get them.
3. Only 1 family per room will be allowed.
4. Rooms will be available for use on Monday-Thursday, 8AM to 1PM. As of right now there will be 2 rooms for designated school use. Students must stay in this room and not roam around in the church building. Before leaving the table & chairs that are used should be cleaned and disinfected. Products will be available.
5. Wi-Fi can be used in church parking lot from 8AM to 6PM Monday-Thursday. Prior to using Wi-Fi in parking lot, you must sign agreement and have us put password in your device for schoolwork only.
6. Only the websites needed for student's learning should be accessed and you are responsible for your actions.
7. If you bring food and drinks inside the church, all trash must be disposed of before leaving.
8. Restroom Policy: Children should be accompanied by adult to the restroom.
9. If you are running a temperature or are sick, **please do not come.**
10. There may be times when an emergency comes up that we must leave the office. At that time, you will be asked to leave unless there is someone the office has approved to volunteer to take the office's place.
11. You are responsible for your actions.
12. There may be changes made in the future and at that time we will pass out updated agreements when you arrive.

Our hope is to encourage and help our students. We want you to know you are loved.
