**Please attach a typed, one page essay that fulfills the following prompt:**

Describe your purpose for going into education. Discuss your influences and experiences in education that have led you into the field of teaching and instruction, and why you selected the area and grade level you wish to go into. Finally, justify why you should be chosen for this award.

**Teacher recommendation signatures: (Student needs 6 signatures)**

Teachers: By signing, you are saying that you support this student's decision of going into the field and craft of education, and you believe that this student will be successful in their post-secondary training and experiences.
